Herringbone - Elegant Oak

Product Description

A celebration of the beauty of nature, our Herringbone range reproduces the charm of solid wood perfectly. The planks are tough and durable, measuring 8mm in thickness meaning they can handle the demands of a busy, fast-paced family home. The surface is also conveniently easy to clean and maintain making it the ideal choice for busy family homes! Suitable for use with underfloor heating with a 0,068 W(m.K) thermal resistance rating, our Herringbone laminate range is a great choice for any room in the home including bathrooms. This AC4 rated laminate floor is well suited to deal with heavy foot traffic and comes with an impressive 20-year domestic warrant for your added peace of mind.
