

Farmhouse - Frosted Oak

Product Description

If you are looking for a low-maintenance floor with the appearance of real solid wood but with all the benefits that laminate has to offer, then our Farmhouse range is the one for you! Expertly manufactured in Europe, this high-quality flooring boasts an impressive AC4 rating for durability meaning it is suited for high traffic areas around the home. With a thickness of 8mm, Farmhouse offers a solid and hard-wearing floor that will stand the test of time. Suitable to install over underfloor heating at a maximum heat of 27°C, this laminate range can also be fitted in bathrooms with the use of our Premium Joint Protector. The easy-click fitting system makes installation a breeze with no need for glue or too many tools! Complete with an impressive Blue Angel Certificate for VOC emissions and a 20-year residential warranty, the Farmhouse range is both reliable and environmentally friendly so you can relax and enjoy your new flooring without any worries!
