

Duke - Esher Oak

Product Description

Do you want to invest in a product that won't disappoint? Our fantastic EvoCore Essentials Plus flooring perfectly blends outstanding quality with contemporary design. Expertly manufactured with a durable 6.5mm thickness and 0.5mm wear layer, this flooring is designed to withstand the busy comings and goings of any household and is ideal for those high-traffic areas! Each plank measures 1220mm in length and has a built-in foam-cushioned underlay, resulting in advanced noise reduction and what's even better, there is no need to purchase underlay separately! Suitable for use in most rooms around the home, this SPC flooring can also be installed over underfloor heating and the easy click fitting system makes installation a breeze and hassle-free!
