

## Murcia - Fossil Grey

### Product Description

Give your outdoor space a makeover with our Murcia Porcelain Tiles. Built tough to handle the elements, these tiles are a solid choice for patios, gardens, or any outdoor spot that needs a little extra durability. With a 2cm thickness, they're made to last and stand strong through all kinds of weather. The sleek matt finish adds a timeless, clean look while providing a slip-resistant surface, so you can walk around worry-free. Plus, they're completely waterproof, meaning rain, snow, or spills won't stand a chance. But don't just think of these as outdoor tiles – they're versatile enough for indoors, too! The waterproof surface makes them an ideal pick for bathrooms, wet rooms, or anywhere moisture might be a concern. Murcia tiles are the perfect combo of style and practicality, both inside and out! Available in both 60x60cm and 60x90cm
