

# ZEN TILES

## Tide Glazed Teal Hex

### Range Description

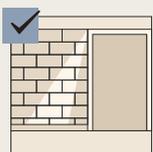

Soft breath of colour. Calm structure. Tide Glazed Teal Hex presents a gentle, sky-blue hue within the same hexagonal tessellation. Its textured finish subtly conveys handmade authenticity and calm. Use the hexagon's organic symmetry to create flowing pattern play on kitchen islands or spa-like bathroom zones. Bed the tile in warmer greys, pale woods, and soft linens to keep the palette serene and airy. Perfect for spaces where light and structure meet in quiet harmony.
