ZEN TILES

Selka
Pearl Grey Stone

Range Description

Softness. Light. Quiet clarity. Selka Pearl Grey Stone reveals a gentle, matt surface with delicate tones that evoke the calm shimmer of natural pearls. It brings a subtle luminosity that soothes and refreshes the space with quiet grace. Selka Pearl Grey Stone complements light woods, soft textiles, and pale metals like brushed nickel or matt brass. Its soft matt finish offers subtle luminosity. Use it to brighten serene spaces with gentle layering. Keep tones light. Let textures linger. Add glow, not glare.
