Thora

White Marble Herringbone Mosaic

Range Description

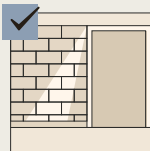

Quiet elegance. Gentle rhythm. Thora White transforms the classic herringbone pattern into luminous white marble. Its soft, natural tone captures light delicately, creating an open, serene atmosphere. The subtle veining and geometric form add depth and sophistication without overwhelming the space. Use Thora White to brighten bathrooms, kitchens, or transitional areas, pairing it with pale woods, soft linens, or muted metals for a refined, cohesive look. Let the pattern guide the eye gently, enhancing a sense of calm and understated elegance throughout the space.
