

# ZEN TILES

## Aire Blue Hex Mosaic

### Range Description

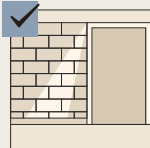

Bold rhythm. Striking clarity. Aire Blue brings intensity to the hexagon form, crafted in recycled glass with a confident, saturated blue finish. The colour holds presence without excess, its geometric repeat creating order and flow. Strong yet refined, it turns surfaces into a statement of modern design. Ideal for feature walls, splashbacks, or zones where definition is desired. Pair with crisp whites, light greys, or natural stone to balance the strength of the blue. The geometry provides structure, the colour delivers impact.
