Prime - Ocean Blue

Product description

Prime is where resilience meets sophistication. Designed for spaces that see a lot of action, this carpet can take on the hustle and bustle of family life while keeping its stunning look. The plush texture feels luxurious underfoot, but it's tough enough to handle heavy foot traffic and messy moments. Prime won't wear out, making it perfect for high-use areas that still need to exude elegance. It's the carpet that keeps looking good, no matter how busy things get.
