

Luna - Portofino Blue

Product Description

Elevate your living spaces with our beautiful Luna range, offering an unparalleled blend of comfort, durability, and sophistication. Constructed from 100% polypropylene fibres, this carpet range offers a remarkable combination of durability and softness. Polypropylene is known for its exceptional resilience, making it resistant to wear, stains, and fading. This ensures that your carpet maintains its pristine appearance even in high-traffic areas, making it an ideal choice for busy households. The luxurious 14.5mm saxony pile height adds a touch of richness to your floors. With its plush and dense texture, this carpet provides a cushioned feeling underfoot, creating an inviting and cosy atmosphere in any room. To enhance its stability and longevity, Luna features action backing for an extra layer of strength and durability. With a wide selection of captivating colours, the Luna range allows you to elevate your space to suit your personal style.

Range Details	Properties	Technical Data	Technical Specification
