

Sicily - Sea Shell

Product Description

Introducing the Sicily Carpet Range, a stunning collection designed to add elegance and sophistication to your living spaces. Constructed from 100% polypropylene, this carpet range ensures exceptional resilience and longevity. The polypropylene fibers are renowned for their ability to withstand wear, stains, and fading, making this carpet an ideal choice for busy households or areas with high foot traffic. The 9mm twist pile height adds a touch of plushness and comfort to your floors. With its twisted fibers, this carpet provides a soft and luxurious texture that feels delightful underfoot. The Sicily carpet range boasts an array of captivating colors and designs, allowing you to customise your interior to reflect your unique style.
