

Sydney - Raven

Product Description

The Sydney range is a high-quality luxurious saxony carpet. The carpet is made using 100% Polypropylene, which is then woven into a solid action backing - providing a solid yet very soft construction, feeling great underfoot whilst also protecting against the rising cold underneath. The Sydney range is available in a wide variety of colours, making it suitable for any room in the home. This product is equipped with action back, making the carpet easy to work with and ensuring long-lasting strength and quality.
