

EvoCore Design Floor Artisan - Grey Harbour Oak

Product Description

Invest in a flooring that performs as good as it looks with the EvoCore Design Floor Artisan Range. Each board features amazing real wood grain and knot features that are prominent, and allow the surface to provide a stunning alternative to real wood floor, creating a chic and authentic look along the way. The EvoCore Design Floor range offers a fantastic alternative to laminate flooring too, and is packed with an abundance of great features all at a great price!

To complete your purchase and ensure a hard-wearing finish, we recommend using our Impero All-In-One Adhesive. This water-based adhesive will provide your amazing new LVT flooring with protection from movement and prevent any lifting, whilst also being odourless, environmentally friendly and suitable for underfloor heating!
