

Real Woods - Dove Grey Oak

Product Description

Achieve effortless contemporary style with our range of Real Woods vinyl flooring, a fantastic budget alternative to solid wood. Our Real Woods range comes equipped with a cushioned foam backing, which helps reduce the effects of subfloor imperfections, removing the need for any underlay. The durable 2.6mm thickness and 0.35mm wear layer means this vinyl range is designed to withstand the comings and goings of a busy household, whilst keeping scratches and scuffs to a minimum. Suitable to be laid on top of underfloor heating, our Real Woods vinyl range is ideal for most rooms around the home, offering an impressive 0,25 W/m.K thermal conductivity rating and 18dB acoustical insulation. The Real Woods style of this range will add a touch of sophistication to any room, while also providing a water-resistant floor that is easy to maintain.
