

## Manhattan Natural Oak Lacquered

### Product Description

Quality, reliable, and spectacular best reflects our range of engineered wood floors. A vibrant and bright flooring, our Manhattan Natural Oak will astound you with its property makeover potential. This wonderful floor will be at home in modern decors as well as more traditional and classic settings. With light brown hues and straw yellow tones, its subtle red undertones will add new dimension to its character. With an expertly lacquered 3mm solid top layer, this flooring is designed to offer great stability and durability, even in the busiest areas in your home. Manhattan Natural Oak is the ideal choice for those looking for a classic, beautiful, and high-quality engineered wood flooring to give their property a more comfortable look and feel.
