

Carpenters Choice Herringbone Vanilla Oak Engineered Wood

Product Description

Mellow tones of vanilla, honey and cream alongside the wonderful knots and unique natural markings give this herringbone floor a truly beautiful appearance that can bring a comfortable feeling into any room. The Carpenter's Choice Herringbone Oak displays wonderful grain variations and organic patterns, and you can rest assured that your new floor will withstand anything a busy home can throw at it, while the lacquered finish will make long-term maintenance easier.
