

## Loft Natural Oak Brushed & Oiled

### Product Description

Are you looking to invest in flooring that will stand the test of time? Our Loft Natural Oak depicts the raw beauty of the solid veneer, with all its fascinating features that catch your eye from afar. The unique and distinctive knots bloom alongside swirling patterns and grain patterns to create a floor that is full of character and rustic appeal, while also maintaining an elegant look. Expertly designed to give home owners the best of what an engineered wood flooring can offer, Loft Natural Oak has an incredibly tough and top quality plywood core, with a durable 3mm surface layer with an enchanting brushed & oiled finish. With this floor you can enjoy walking on the best quality oak wood from sustainably managed forests, giving you extra comfort and extra peace of mind.
