

Farmhouse Natural Oak Brushed & Oiled

Product Description

Our Farmhouse Natural Oak Brushed & Oiled can bring a touch of natural elegance and character to many rooms in your home. Not only is it extremely durable, with its solid plywood base, it also has a 6mm solid wood top layer. Gorgeous light brown tones and eye catching darker grains, truly compliment authentic wood knots and add a brightening natural charm. Farmhouse Natural Oak will look stunning, especially situated in the kitchen or dining room. The undeniable charisma of this engineered wood floor with its natural oil finish and durable construction, allows your flooring to deal with all aspects of a busy home. The Farmhouse range gives you the look of a genuine solid wood floor without breaking the bank.
