

Studio Natural Oak Lacquered

Product Description

Quality, reliable, and spectacular best reflects our range of engineered wood floors. Our Studio Natural Oak will bring a look of grace and rustic charm into your home. This incredibly durable wood flooring, with its 3mm solid wood top layer and nine coats of lacquer, will look spectacular in any home. Studio Natural Oak's light brown tones and lighter cream hues compliment striking darker grains. This flooring really showcases the authentic wood knots and adds natural charm to any space. Studio Natural Oak will look incredible in your kitchen, dining room or even a bedroom. The rustic appeal of this engineered wood floor, with its natural finish and durable construction, will provide you with a floor more than capable of dealing with all aspects of a busy home. The Studio range gives you the look of a genuine solid wood floor at an affordable price.
