

## Farmhouse Golden Smoked Oak Brushed & Lacquered

### Product Description

Reliable and spectacular quality best reflects our range of engineered wood floors. Farmhouse Golden Smoked Oak is one of our most popular engineered wood floors. Not only is it highly durable and built to last, it also has a rustic flare that will take your breath away, with its gorgeous organic details and textures. The warm colour palette, with delicate tones of caramel, toffee, and honey can give any room in your home a welcoming look and feel. Farmhouse Golden Smoked Oak will compliment and décor in your home, while looking and feeling incredible. Completed with a 6mm solid wood top layer, this flooring has been brushed and lacquered to give its surface a beautiful finish. This wood will be one you will be able to enjoy for a lifetime.
