

Oxford Herringbone Honeycomb Oak Brushed & Oiled

Product Description

You will receive more than enough compliments from our gorgeous range of engineered wood flooring. Our popular Oxford Herringbone Honeycomb Oak features a rich colour palette with bronze, copper and rust tones. Auburn and Honeycomb hues combine to create a truly stunning floor. The plywood core is extremely durable and strong, while the 3mm wear layer of oak is perfectly suited for a busy home. The top layer is oiled to bring out its best features and offer you an amazing canvas for your current decor.
