

## Bayswater Herringbone - Vanilla Oak

### Product Description

Warm and mellow tones of vanilla, cream and honey alongside chocolate accents present in knots and unique marks lend this floor a strikingly beautiful appearance that can bring a peaceful and comfortable feel into any room. The Natural Oak displays wonderful grain variations and organic patterns, and you can rest assured that your new floor will withstand anything a busy home can throw at it, while the super matt lacquer will also make long-term maintenance easier. We recommend oiling this product to ensure your wood flooring continues to perform at its optimum level. For information on when to re-oil and further advice on the best oil choice for the desired look you're going for, please contact our specialist sales advisors who are always happy to help! \*When fitting this beautiful Herringbone flooring, it is recommended that you use our Impero Primer with in-built DPM and our Impero

Range Details	Properties	Technical Data	Technical Specification
