

Studio Coffee Oak Brushed & Lacquered

Product Description

How many times have you fantasised about having real wood flooring throughout your home? With our Studio Coffee Oak, you can, but at a more budget friendly price compared to traditional solid wood. This highly specified 14mm thick engineered wood is durable and built to last a lifetime. Its stunning appearance is truly spectacular, with Studio Coffee Oak's warm coffee hues. It is complimented with charcoal and warm undertones, this fantastic wood will turn any room of your home into a canvas of spectacular beauty.
