

Chelsea Chevron - Cappuccino Oak

Product Description

Captivating and arresting tones of white chocolate and cappuccino foam transform this Herringbone floor into an interior design gem that has an unmistakable rural appeal. The brushed lacquered finish lends the surface of the European oak a striking tactile and visual texture, a perfect match for the natural and organic grain patterns, knots and mineral lines. An ideal choice for a country home in need of a quality makeover, for a classically decorated property or even for a modern home with an unconventional and creative interior design scheme. The Bayswater Herringbone range is made from sustainably sourced wood, making it a perfect flooring solution for the Eco-conscious customer. *When fitting this beautiful Herringbone flooring, it is recommended that you use our Impero Primer with in-built DPM and our Impero Wood Adhesive to ensure your flooring is fitted to perfection
