

## Natural Vintage Oak

### Product Description

Do you want quality flooring that will become a conversation piece? A vibrant and bright flooring solution, our Natural Vintage Oak will amaze with its property makeover potential. From a highly modern decor to more traditional classic setting this floor will tick all the boxes. With light brown hues and straw yellow tones, the subtle red undertones will add new dimension to its character. With an expertly brushed and oiled 3mm solid top layer, this flooring is designed to offer great stability and durability even in the busiest areas in your home. Natural Vintage Oak is the ideal choice for those looking for a classic, beautiful and high-quality engineered wood flooring, giving your property a more comfortable look and feel. Don't forget to look at our accessories page, it is fully stocked with products to help you get the best results.
