

FLOORING SUPERSTORE

Marylebone Chantilly Lace Oak

Marylebone Chantilly Lace Oak features light beige and cream hues, complemented by gorgeous natural features like subtle grain patterns and occasional knots. The soft, neutral tones create a serene, airy atmosphere, while the authentic wood details add character and warmth, making it a perfect choice for a timeless and sophisticated look. Brushed and oiled engineered wood flooring combines natural beauty with enhanced durability. The brushed finish creates texture, giving the wood a rustic, authentic look while helping to conceal scratches and wear. The oil treatment nourishes the wood, enhancing its color and grain while providing a more natural, matte finish compared to lacquered floors. This finish offers excellent protection against moisture and dirt, but with a more breathable, natural feel. Prime grade engineered wood flooring offers a sleek, uniform appearance with minimal imperfections. It features consistent grain patterns, few knots, and little color variation, making it ideal for a modern, sophisticated look. This high-quality grade ensures a smooth, polished finish and enhances durability, making it a top choice for those seeking a refined, elegant floor with lasting performance.

RANGE DETAILS

Construction	engineered, 3 layer
Species	Oak
Veneer (mm)	2.5
Thickness (mm)	14
Board Width (mm)	130
Board Length (mm)	725
Pack Coverage (m ²)	0.65
Boards Per Pack	7
Grade	Prime
Wood Origin	Europe

TECHNICAL DATA

Fire Certification	Dfl-S1
Slip Resistance	NPD
Thermal Conductivity	0.14W/mK
Wear Resistance	WR1
PCP Content	not detected
Formaldehyde Rating	E-1
VOC Emissions Rating	340 ug/m3

INSTALLATION GUIDANCE

Fitting System
Reccomended Underlay
